

HAZARD/RISK TABLE	Notes
Chemical:	
Materials in contact with skin	
Materials in contact with food	
Emissions	
Water quality	
Hygiene	
Cleaning agents and detergents	
Mechanical:	
Entrapment	
Moving parts	
Choking and ingestion	
Suffocation	
Edges, projections and wounding	
Structural integrity (collapsing, pieces projecting out or falling off)	
Unintentional or uncontrolled operation	
Stability	
Trips and falls	
Dropping product	
Thermal:	
Flammability/burning	
Hot/cold surfaces	
Hot/cold liquids	
Contact with flames	
Melting of materials	
Noise	

Electrical:	
Electrocution	
Unintentional or uncontrolled operation	
Damage to cord	
Product information (including instruction sheets, warnings and symbols on products, etc):	
Legibility (good visibility, good contrast, size and font used, etc.)	
Clarity (comprehensibility of instructions, plain language, warning, symbols, etc)	
Provision in alternative formats	
Guidance on provision of information regarding safe usage and addressing problems that may arise
